Introduction

Salvins Sdn Bhd is Malaysian-based company that has been operating in the insurance industry since 1989. The firm was established by professionals from the industry and it has vast experience in the placement of **all classes of general insurance**. Its strength lies in its ability to package suitably, the insurance requirement of its clients and in its expeditious handling of policy documentation and claim processing.

The company maintains close working relationship with Local Insurers, Lloyds Syndicates, Lloyds Brokers and Professional Reinsurers. Salvins' forte includes **Marine, Aviation, Engineering and Professional Liability insurance**.
